

2021-2022 STATE MEMBERSHIP

NASCA membership is open to all states and U.S. territories on a July 1 – June 30 fiscal year cycle. To accommodate a variety of budget cycles, state members may purchase any membership on a two-year renewal cycle and take advantage of a 1.5% discount on state membership dues. If dues increase within a state's two-year membership, an invoice for the difference will be issued during the true-up year.

Although membership lies with the state, the State Chief Administrator (CAO) serves as the primary member. Under any of the primary membership options, states may have an unlimited number of senior-level or deputy directors participate in various aspects of membership. By choosing to upgrade to a "plus" option, an additional senior-level or deputy director will receive the same complimentary registration, hotel accommodations and travel reimbursement benefits listed that the primary member receives.

As a NASCA member, you and your team gain access to a host of benefits designed to support career growth and success. Key benefits include:

Community & Networking

- Relationships with state Chief Administrators and corporate partners
- NASCA Collaborate, a members-only online community
- Searchable Member Directory
- Communities of Practice, State Collaboratives, and operating committees
- National Awards Program Recognition
- Expanded visibility with colleagues, federal agencies and stakeholders

Research & Resource Publications

- NASCA research, surveys, and executive reports
- Overview of state Chief Administrator Areas of Function
- Visibility for state initiatives among peers and national media

Professional Development

- CAO Leadership Summit providing networking and relationship building for CAOs and their peers (Coronado, CA | August)
- Institute on Management and Leadership facilitated by Leadership for a Networked World and Harvard Business School Faculty (Rochester, NY | October)
- Annual Conference providing enhanced continuing education and member engagement (Annapolis, MD | April 2022)
- Complimentary monthly virtual education and topical webinars

NASCA also provides the following benefits for CAOs and those with a Plus Membership

- Registration, hotel accommodations and \$450 travel reimbursement to three in-person events:
 - CAO Leadership Summit
 - Institute on Management and Leadership
 - Annual Conference
- Ability to register additional senior-level staff to attend two in-person events:
 - Institute on Management and Leadership
 - Annual Conference
